VALUES: Community, Justice, Truth, Openness and Compassion.

POLICY: St. Clare’s Parents and Friends Association has a levy to offset the continual need for families to support, participate in and organise events to raise monies for additional and essential school resources. This levy, per family, is set by the P & F.

However, as a Catholic School, we do endeavour to provide opportunities to assist those in need. Given that, it is our Policy that families not be requested to participate in further fund raising activities, except those listed in the guidelines.

GUIDELINES:

1. From time to time special needs arise for additional funds to be raised. These fund raising activities must have the approval of the Principal. It is anticipated that these additional activities will be kept to a minimum.

2. Fundraising activities that provide a service to the community are permitted on approval from the Principal.

3. The school is expected to support the official charities of the Catholic Church e.g. Caritas Australia, Catholic Mission, St Vincent de Paul.
